

AMUC

[Among the Urban Community]

AMUC is a unique experience. It's a mission exposure trip for adults in our own city. It will challenge your faith, lifestyle, priorities and understanding of the Gospel. The AMUC experience invites followers to a deeper faith where there are no easy answers. It aims to broaden the experience of Christians while allowing space to reflect on the message of Christ.

When: July 8th to 12th 2018

Where: Perth Church of Christ

Cost: \$200 waged, \$175 unwaged

Early bird special: \$180 waged, \$160 unwaged
(for registrations up to June 7th)

AMUC is a joint initiative of Scripture Union WA and TEAR Australia

AMUC is not a mission but will certainly challenge your faith, lifestyle, priorities and understanding of the Gospel.

What is AMUC (AMong the Urban Community)?

It's like a camp - but its focus is on discipleship

It's like a retreat - but with times of action

It's like a mission exposure trip - but in our own city

It's a challenge and a call to follow Jesus, to be with the rejected and marginalised

SPEAKER: Alex McKellar

Alex leads the Justice ministry at Riverview Church, overseeing Riverview Community Services and Riverview Children's Foundation. With 20 years of experience both in creative and pastoral ministry, she loves being a part of a church that prioritises those on the margins. Born and bred in WA, her heart is for the people of our city. Alex loves travelling, cooking delicious food and enjoys spending time with her two fur-kids Ollie and Orlando.

Advocacy has proven to be an effective way a small amount of effort can make a huge difference to the poor. Jubilee 2000 was very effective at enabling governments to drop the debt of Heavily Indebted Poorer Countries and Make Poverty History Campaign increased overseas aid and empowered millions out of poverty. There is a clear biblical mandate to speak up for those who cannot speak for themselves. Alex will reflect biblically on advocacy, help us consider the most appropriate action for each topic and situation, guide us through the maze of responses from direct action to letter writing and look at a number of issues including refugees and Campaigning for overseas aid yet specifically targeting environmental concerns and the Renew Our World campaign that TEAR is involved in.

"AMUC was an experience that formed my understanding of faith in action, and exposed me to a worldview that is now central to my faith in God. Highly recommended for anyone seeking to bring Jesus to the world around us." Jaye Van Wollingen
